NPC® (National Processing Company) provides services to approximately 700,000 merchant locations across North America, representing nearly one out of every six VISA® and MasterCard® transactions processed nationally.

For more than three decades, we have provided our our merchants with quality solutions and predictable results. Because of our commitment to excellence, we have continued to grow at a rapid speed while staying on the edge of technology. In such a fast-changing industry, **NPC®** has not only adapted to these changes, but many times set them in motion.

NPC® provides a diverse line of products and services all under one roof.

They include:

- **VISA**    **And many more...**
- **Credit, Debit and e-Check Processing**
- **Web and Software-based Solutions with (Automated Recurring Billing and “Instant Invoices” for your Clients)**
- **Real-time Online Merchant Reporting (Compatible with most software types)**
- **Point of Sale Equipment and Software**
- **POS Equipment Leasing**
- **Guarantee Check Services – Web or Terminal Based (\$36,000 Maximum Guarantee)**

As we begin a new century, you can count on **NPC®** to move our customers and your industry forward. We will continue to do business the way it ought to be done: efficiently and professionally, and with the upfront, friendly, fast service that has made **NPC®** an industry leader.

Remember \$720.05 has been the average monthly member Savings/Profit. You’ve worked hard to earn it, why not KEEP more of it?
