**THE CORPORATE HOUSING PROVIDERS ASSOCIATION (CHPA) PRESENTS:
“NETWORK CONNECTION EVENT”**

Join us for a Network Connections Luncheon to **learn about local market issues and trends**. Jim Whitehead will discuss the challenges and opportunities of management companies working with internal and external corporate housing programs. How's business? What is the housing industry like today? What are the trends and challenges we're seeing in our area? What can CHPA do for you locally? Network with the partners that help make corporate housing successful in our area to discuss these issues and more!

Don't forget to invite your co-workers!

- DATE:** Tuesday, May 6th
- TIME:** 12:30 p.m. – 2:30 p.m.
- SPEAKERS:** Comcast Representative
AT&T Representative

The **Corporate Housing Providers Association (CHPA)** is the only trade association dedicated to the corporate housing industry. As the industry continually evolves, members gain insight and resources on how to stay competitive through their involvement with CHPA. CHPA, as the voice of the corporate housing industry, offers networking, educational and informational opportunities to corporate housing providers around the world.
