COVID-19 Update: Take Action Now & What CHPA is Doing

COVID-19 is a serious threat to corporate housing and serviced accommodation. CHPA has mobilized to protect your company and the industry, and you can help us in getting this important message in front of your legislators **today**. Here's what you can do as a US-based company:

1. Use this [letter](#) and contact your senators and representative. Find out your senators and representative [here](#). The letter can also be sent to your local and state representatives as well; anyone with direct involvement in COVID-19 bailout packages should be contacted.
2. Call your senators, representatives and local legislators to discuss the letter once submitted.
3. [Contact CHPA staff](#) if you have a strong relationship with specific members of Congress or their staff and are willing to serve as a conduit on this effort.
4. Sign on to the lobbying efforts being pursued by the [American Hotel and Lodging Association](#) as well as the [U.S. Travel Association](#).

The Association continues to support all member businesses in the industry. Below are the actions we have taken on your behalf and the resources we have created.

- [COVID-19 Resouce Center](#) - This serves as a central location for updates and resources CHPA can provide to members companies and employees.
- CHPA has submitted letters on behalf of the industry and members to Senators and Representatives directly involved with the Coronavirus Aid, Relief and Economic Security

Act.

- Actively [collecting information on open inventory](#) members are willing to provide to healthcare workers and people in crisis. CHPA is taking this information and communicating with cities and states to leverage your services to provide safe living environments.
- Through CHPA's partnership in the [Global Alliance of Serviced Accommodation](#), we have scheduled a webinar discussing the industry's response to the virus. [Register](#) today and learn from other industry professionals.
- Developed a [client communication document](#) to help your company communicate the most important information to those staying in your units.
- Creating connections to other professional associations that can utilize member services and communicating the [Membership Directory](#).

Thank you for your continued support of CHPA. Stay healthy and safe.
