SITE RETARGETING

Thousands of corporate housing providers visit the CHPA website for the latest news and information. These key decision-makers also look to CHPA as a credible resource for finding the products and services they need.

CHPA partners with MultiView to offer a website retargeting program. Designed to help you make the most of your ad spend, this program allows you to retarget industry professionals after they've clicked away from the CHPA website, keeping your brand top-of-mind and ensuring that you'll consistently connect with them across their buying journey. Using deep insights gathered from thousands of campaigns, MultiView's team will develop branded messaging for our members, no matter where the web takes them:

- Keep your brand top-of-mind across their buying journey.
- Reach niche audiences beyond the association website.
- Improve the effectiveness of your ad spend.
- Rely on MultiView's team to develop brand messaging, if needed.

CHPA News and site retargeting opportunities are fulfilled by our partners at MultiView. For more details and pricing, visit <https://mk.multibriefs.com/MediaKit/Pricing/chpa>.

2021 EVENTS & EDUCATION

NETWORK CONNECTIONS

Network Connections are informal meetings open to both member and non-member company professionals and are free to attend. These member-sponsored, association-supported events offer a chance for individuals to get together to learn, discuss market trends and issues and connect with other corporate housing professionals. On average, CHPA member companies host 20+ Network Connections per year for more than 500 attendees.

We are pleased to offer both in-person and digital Networking Connections in 2021 to offer exposure and create relationship building opportunities. You determine the content, format, and location while CHPA helps promote the event and serves as administrative support.

In-Person Network Connections:

Network Connection hosts must agree to abide by and enforce all local regulations; additional waivers and disclosures apply. There is no fee for hosting an in-person Network Connection.

NEW for 2021: Virtual Network Connections:

CHPA will assist in hosting a Virtual Network Connection based on the topic or geographic area chosen by the host. There is a \$250 administrative fee which covers the use of CHPA's technology platforms and online registration system.

Network Connection sponsors receive: Recognition on CHPA website and e-newsletter; opportunity to facilitate discussion at the event; and 3 social media posts from CHPA (announcement of event; prior to event; post-event recap with photos).
